

# Welcome Back Charter Oak High School

Hello Charter Oak Parents and Families,

Welcome to the 2020-21 school year. As you know, this year we will be opening the school year in a distance learning/virtual format. This week, students received their *tentative* schedules, and “official class schedules” are expected to be available to view in the Aeries Portal on Wednesday, August 12th. Students should log on to the Aeries portal to view their Official Schedule before the first day of school as changes may be made before then. Additionally, students need to check their school gmail accounts for an email from their teachers, which will include class information and login instructions for their Google Classrooms and Zoom Links to access the live instruction sessions. If you have any questions, please see the [“how to” videos](#) below and/or visit the Student/Parent Tech Support Hub mentioned on page 3. Please make sure you practice logging in to these accounts before the first day of school.

Our first day of school will be **Friday, August 14th**, and the schedule for that day is posted below. Parents, we are inviting you to join your student for the first day of school on their zoom sessions to **“Meet the Teacher”** and have the ability to ask questions and learn more about how the class will be conducted and to go over student and parent expectations.

## Scheduled & Structured school days

**Monday:** The school day begins at 8:00 a.m.. Teachers will provide the weekly instructional plan and students begin their studies. Students will check-in with all periods/teachers at their assigned period for attendance. Teachers will be available for instructional support from 11:00 to 2:20 for office hours, tutoring, meetings with students, and if permitted, on-campus rehearsals, practices, and meetings for specified student groups.

**Tuesday through Friday:** Students attend school virtually in a block schedule. Teachers may schedule synchronous instruction (virtual in-person instruction for all) and/or asynchronous instruction (independent learning or learning in groups). Teachers will be available for instructional support from 1:05 to 2:20 for office hours, tutoring, meetings with students, and if permitted, on-campus rehearsals, practices, and meetings for specified student groups.
