If the student then does not achieve a 2.0 grade point average, the student shall become ineligible for participation in competition for the ensuing grading period. Probation does not apply for a student who does not successfully pass 20 credits of work (4 classes) at a grading period. That student shall be automatically ineligible for the ensuing grading period.

CLEARANCE

In order to participate on any Charter Oak Athletic Team, each student must go through a clearance procedure. This procedure includes the following:

- Completed Athletic packets on file with the Athletic Secretary.
- Physical examination form completed and on file.

Participation on the team and uniform issuance will not be allowed until these items are cleared.

INSURANCE

The Charter Oak Unified School District does not provide medical and/or hospital services for students injured while participating in athletic activities. In accordance with Education Code 32221, State law prohibits students from participating in interscholastic sports without adequate medical coverage. Brochures for football coverage and accident student insurance are available from the Attendance Office and the switchboard.

RECOGNITION

Students who participate on athletic teams or ASB sponsored programs receive recognition at banquets or other ceremonies and their participation is recorded. Students who are removed or dropped from any program will not receive such recognition.

ATHLETIC CODE OF CONDUCT

Participation in athletics is a privilege and along with this there are expectations of leadership skills ON AND OFF CAMPUS. With this in mind, a student may be suspended from an athletic team by the coach with administrative approval or by an administrator for any of the following code violations for a period of up to 45 days:

- Use or possession of alcoholic beverages, tobacco, narcotics or dangerous drugs.
- Involvement in theft.
- Commission of any act of defiance either in language or against any school employee.
- Use and/or possession of steroids.

Expectations of Spirit Groups

- Stimulate desired crowd responses using only positive cheers, signs and praise without antagonizing or demeaning opponents.
- Treat opposing spirit, auxiliary groups and fans with respect, before and after the event.
- Recognize outstanding performances from all who are performing.
- Know the rules and strategies of the contest in order to cheer at proper time.
- Maintain enthusiasm and composure, serving as a role model.
- No stereotyping groups, schools, or persons.

ATTENDANCE INFORMATION

It is the responsibility of parents and/or guardians to see that children 6 to 18 years old attend school unless exempted by law or graduated from high school (Ed Code 48200). Two hundred and forty minutes have been set by law as a day's attendance at school. These Ed Code sections prohibit truancy and tardiness. Students will be held accountable for days missed from school and may be required to make up the time lost.

All absences are legally interpreted as being "excused" or "unexcused." Excused absences are due to illness, immediate family bereavement, medical appointments, court appearances or school business. A doctor's note must accompany a student returning from an illness of five days or longer. Unexcused absences which violate education code are oversleeping, missed ride to school, care for others in the family, shopping, studying, transportation problems, vacation, visiting friends or relatives, lack of clothing, etc. **All absences must be cleared within 5 school days or they will turn into unexcused absence. Student excuses must be in a form of a written note, telephone call, or a parent/guardian must come to the attendance office.**

STATE REGULATIONS MAKE IT MANDATORY THAT STUDENTS BE IN SCHOOL DAILY. Medical appointments should be made after school, on student free days and vacation days. All vacations should be planned for Winter Break, Spring Break and Summer Vacation. While we hope that all students will take advantage of the opportunities offered at Charter Oak High School by maintaining good attendance records, we realize that you may miss school on certain occasions. If you are absent from school, we request that you do the following:

Call the Attendance Office at (626) 915-5841, Extensions 30222 or 30223 each day of absence between 7:30 A.M. and 4:00 P.M. If parents have not contacted the school on the telephone, a note **must** be delivered to the Attendance Office. The note should contain student name, the dates of absence, the reason for absence, and parent signature. **Absences not cleared within five (5) days may not be eligible for make-up work.** A student's participation in an after school activity is dependent upon attendance in minimum of four class periods on the day of the activity. Students that are verified truant to any classes on the day prior to a weekend school activity may not participate in the activity and will not receive a refund if the school has had to pay for the use of the facility.

PERFECT ATTENDANCE

Perfect attendance is defined as no period or full day absences for a school year (approved school activities are not considered absences). Absences cleared by parents are still absences and count against perfect attendance even though they are excused.

CHECK OUT SLIP FOR EARLY DISMISSAL/RELEASE

It is recommended that medical/dental appointments be made after school hours. In the event that a student needs to be released from school early, a Check-out Slip must be obtained from the Attendance Office **BEFORE** leaving campus. **Phone calls WILL NOT be accepted for an early release OR lunchtime check-out.** In order to have a student released early from school, one of the following methods must be used:

1. A parent/guardian handwritten note with a valid signature can be turned in by the student into the Attendance Office before school starts, during nutrition or lunch in exchange for a Check-out Slip. In your note, please include the following: Your full name, student's first and last name, date of birth, time the student is to be released, a detailed reason for the early release, and a phone number where you can be reached if there are any questions.

2. A parent/guardian with a valid photo ID can request for a student's release directly from the Attendance Office. Please note that it takes approximately 15-20 minutes for your student to be released from their class once you have checked them out from the Attendance Office.

**** Please note:** Check-out Slips will not be issued for lunchtime unless a parent comes to the Attendance Office to check the student out. Parent/Guardian handwritten notes will not be accepted for a lunchtime check out.

NOTIFICATION

Parents will be notified of student absences of one or more periods by means of a recorded message or a personal phone call to the parent, either at home or at the workplace. A letter will alert parents when a student has excessive unexcused absences.

FORGED NOTES

Students who forge notes, phone calls or impersonate a parent will receive Saturday School. A student caught bringing a forged note will no longer be allowed to bring notes to excuse absences. Parents/guardians may not allow the student or other persons to act in their behalf in the area of phone calls and notes to excuse student absences.

TARDY PROCEDURE

A student must be in the classroom when the tardy bell rings. A tardy to the student's first class of the day may only be excused with a doctor's note. The tardy policy will operate on a semester basis. On the first day the teacher will discuss with the students the school's tardy policy and its consequences. (Refer to Discipline Matrix on pages 30-32)

TRUANCY PROCEDURE

Any child absent from school without a valid excuse for more than 3 days or tardy more than 30 minutes on each of three or more days in one school year shall be reported truant. If reported truant and again absent without an excuse one or more

days the child may be reported truant the second time. The student is deemed a habitual truant if reported three or more times. (Ed Code 48260; Ed Code 48264).

The attendance supervisors, peace officer, or any school officer shall arrest without warrant, during school hours, any child between 6 and 18 years of age found away from home and who has been reported by the teacher, the Principal of the school, or other persons connected with the school department or schools as truant from instruction lawfully required to attend, with the county, city or city and county, or school district (Ed Code 48264).

The court may suspend, restrict, delay or revoke your driving privilege for one year if one is convicted of being a habitual truant from school. (1998 California Driver Handbook).

The truancy policy at Charter Oak is based on the belief that truanancies from class are premeditated acts of the students. When a student is truant from class/classes, or is absent without the knowledge of his/her parents it will be dealt with in the following manner:

The student will be assigned a Saturday School and parent contact will be attempted on all day truanancies. An Auto-dialer will call twice daily on all absences during the day. Students may not be able to make up work missed. All uncleared absences and truanancies adversely affect student grades. Students who fail to show up for their Saturday School will receive further disciplinary action. (Refer to Discipline Matrix on pages 30-32)

Ditch days are not permissible. Ditch days are illegal, even when the parent gives permission for the student to be absent from school. Students who are discovered to be participating in a ditch day, even with parent permission, will be considered truant by the school. Parents are required to support the state and school regulations regarding ditch days by not signing excuse notes for false illness or other situations to cover up participation in a ditch day.

CAMPUS VISITATION

All visitors must receive permission to be on campus and secure a visitor's pass from the Administration Office. Unauthorized visits will result in a warning or possible arrest and violators will be immediately removed from the campus. Students are not permitted to bring guests on campus to attend classes with them. Limited visitor parking spaces are available on a short-term basis. These parking spaces are in the administrative building parking lot located on Covina Boulevard in front of the school.

COUNSELING INFORMATION

The Counseling Office staff provides services to students to help them develop a healthy and accurate understanding of themselves and the world of opportunity available to them. The counselor(s) help students make wise decisions concerning their future education and career plans and advise them concerning appropriate placement in high school courses to prepare for these plans and meet graduation requirements. Information concerning the application processes to enter the next level of education beyond high school, the world of work, or the military service is also provided for students. Counselors also work closely with special programs, such as ELD, ROP, Honors, IB, AP, Special Education and ASD.

Students may schedule appointments with their counselor. Students are assigned to Counselors based on their last name.

Counselors advise students concerning the logical consequences of their actions and behavior in the areas of citizenship, interpersonal relationships and academics. Students are counseled on the importance of being accountable and responsible for their actions and behavior in all areas. Counseling services range from confidential sessions for individuals to group sessions.

STUDENT PROGRAM CHANGE POLICY

Students will not be allowed to drop Honors or IB/AP courses once the spring registration process is complete. Please take great care in selecting these courses.

Students may request program changes for the following reasons only:

- An incorrect placement or a teacher initiated request for a level change.
- Summer School classes passed.
- Prerequisites not met or failed in a previous class.

Student request for program changes will NOT be honored for the following reasons:

- To change from one elective to another elective.
- To change from one teacher to another in the same subject.
- To change to the same teacher in the same subject but to another period.

All changes to a student's schedule should be made by the end of the third week of the semester. No new class may be added after the sixth week of any semester. After the end of the sixth week of any semester, a class may not be dropped without administrative approval.

WORK PERMITS

By law, students who are under the age of 18 must have a work permit if they are working. Work permits are available in the Career Center which is located in the COHS Library. It is our recommendation that a student's work hours not exceed 20 hours per week. **A student must maintain an academic GPA of 2.0 or higher and 95% attendance or a student's work permit will not be issued or, if previously issued, the work permit will be revoked.**

HOMEWORK

(Please notify the attendance office of a student's absence prior to requesting homework). Students and parents are encouraged to check assignments directly with the teacher through emails, parent portal or the teacher's webpage. Homework may also be requested through the Counseling Office. If a student's absence exceeds 3 days, parents/guardians may contact the Counseling Office to request homework. Homework requests require 24-hour preparation time. Homework will generally be ready between 2:00 and 4:00 PM on the day following the request.

INDEPENDENT STUDY CONTRACTS

(Board Policy and Administrative Procedure 6110)

There is no substitute for being present for lectures, labs and classroom participation. Parents need to contact the Counseling Office if their child will be absent for a period of 5-20 school days. Requests for Independent Study Contracts should be made one week in advance to give the Counseling Office time to gather required assignments. (Teachers will send assignments to Counseling Office, not directly to the student). The student is required to pick up assignments from the Counseling Office at the end of the student's last day of regular attendance. By 8:00 a.m. on the day of return to school, the student must return all completed work to the Counseling Office.

COUNSELING DEPARTMENT

The Counseling office is located in the Administration building. Services offered include: academic, social/emotional and career advisement. Information regarding post-secondary options including four year colleges, community colleges, vocational/technical schools and armed services is available. Students and parents have an opportunity to attend College Application Night, Financial Aid Night and Parent Information Nights. Students may also speak to representatives from the Armed Forces and to representatives from individual colleges who visit the Charter Oak campus. The Counseling office also houses information on college testing (PSAT, SAT & ACT), Financial Aid (FAFSA), scholarships and careers. Please check the bulletin and Counseling web page to find up-to-date information on counseling activities.

CALIFORNIA SCHOLARSHIP FEDERATION (CSF)

The purpose of this statewide honor society is to identify and encourage students with high academic achievement. During the first three weeks of each semester, eligible students may apply for membership. Eligibility is based upon grades earned the previous semester. Students may apply after the first semester of the 10th grade and any semester thereafter. A student must earn a minimum of ten CSF points in four or five qualified subjects. An "A" equals three CSF points and a "B" equals one CSF point. The CSF points must be earned in courses that meet the subject requirements for the University of California. Life membership and honors at graduation are attained with membership in four of the last six semesters. One semester **must** be in the senior year. In order to qualify for CSF, a student must enroll in at least three (3) subjects designated by the Code CSF-1 or CSF-2, and of these three, at least two (2) must be designated CSF-1. Furthermore, a student must earn two A's and a B in these subjects and one A in another subject. For further information, please contact CSF Advisor, Mrs. Crystal Volpe.

NATIONAL HONOR SOCIETY (NHS)

The Charter Oak National Honor Society is the "OAK LEAF" Chapter of the national organization. This merit group dedicates time and effort to aiding and serving the community. Membership is based upon a selective process with minimum requirements: a) Sophomore standing, b) Maintenance of a cumulative GPA of 3.65 or higher, c) and essay. For further information, see the NHS advisor, Mr. Chris Long.

COLLEGE ENTRANCE INFORMATION

Students considering continuing their education after high school by enrolling in a college or university should begin planning in the 9th grade. Counselors can provide

valuable information and guidance in the area of college preparation. Generally, students must follow a rigorous course of study with no grades lower than a C and follow the guidelines for requirements provided by the selected college or university. PARENT TEACHER CONTACT

Parents are given the opportunity to meet briefly with teachers after the 6th week progress report each semester. Dates for these conferences are listed in the school calendar. Parents are encouraged to contact the teachers by phone, email or in writing to request additional appointments as necessary. Teachers remain on campus until 3:00 pm for such purposes. Appointments outside of school hours must be at a time convenient for both parties. Calls are never placed through to a teacher's classroom, as this would be disruptive to other students. A message will be placed in the teacher's mailbox; however, an email is the preferred method of contact.

STUDENT INFORMATION

Charter Oak High School is an educational institution where young men and women of the community receive their four years of high school education. We want these years to be as beneficial, rewarding, productive and as satisfying as possible. In order to accomplish the academic goals of our institution, we need an environment in which teachers can teach and students can learn with dignity and with safety. Consequently, we need rules that do not limit or suppress the educational process, but rather enhance the process. With the above purpose in mind and under the direction of the Governing Board of the Charter Oak Unified School District, we believe the following rules and regulations are necessary to accomplish our purpose:

BEHAVIOR

As a student at Charter Oak High School you are expected to be aware of and to accept your individual responsibilities and behavior in the following areas:

THE TEACHING-LEARNING PROCESS

- Students deserve the best instruction that Charter Oak High School can provide. For teachers to be successful, you need to cooperate, work and achieve to the best of your ability. Learning is a natural process and unless students work at gaining knowledge and understanding, no genuine learning ever occurs, no matter what teachers do to make it occur.

RESPONSIBILITY FOR YOUR OWN ACTIONS

- You will be held responsible for the things you do or fail to do. What others do or do not do is of little importance in determining whether or not you

have accepted your responsibility as a student-citizen of Charter Oak High School.

- If you choose to follow bad examples set by a few, you will be held responsible for your actions. The decision will be yours, and so will the consequences. Your first responsibility, then, is to decide how you should conduct yourself while you are at school. Your second responsibility is to be prepared to accept the results of your actions.

- SEARCH OF STUDENT OR STUDENT PROPERTY

- The Charter Oak Unified School District Governing Board recognizes that incidents may occur which jeopardize the health, safety and welfare of students and staff and which necessitate the search of students, their property or their lockers by school officials. School officials may search individual students and their property when there is a reasonable suspicion that the student is violating the law or the rules of the district or the school. This authority is granted by the COUSD Board policy 5145.12 and Administrative Regulation 5145.12.

- CANINE DETECTION

- The Charter Oak High School campus and parking lot are subject to random visits by canine detection units. All cars, student backpacks and lockers are subject to the program without advance notice.

- LOCKERS/BACKPACKS

- Lockers on Charter Oak campuses are the property of the Charter Oak Unified School District and are subject to searches. Backpacks and book bags are also subject to search at any time by school officials with reasonable suspicion.

- DISCIPLINE/DUTIES OF PUPILS

- Pupils must comply with school regulations, pursue the required courses of study, and submit to the authority of teachers. (Ed Code 48908)

- HAZING

- No student may engage in hazing or commit any act that injures, degrades, disgraces or tends to injure, degrade, and disgrace or cause undue attention to a fellow student/person attending school.

- CLASSROOM DISCIPLINE

- Each teacher has the responsibility to impose controls and penalties upon students whose behavior distracts from a safe and positive learning environment. Students do not have the right to interfere with the learning process of others. Therefore, students must follow teacher imposed classroom rules. Failure to do so will result in the following:
 - Denial of certain privileges granted to other students.
 - Conference with parents to secure their assistance in improving quality of performance and/or behavior of students.
 - Detention.
 - A student/teacher/parent behavior contract.
 - Referring the student who commits a serious offense to the Vice Principal.

- DETENTION POLICY

- The Vice Principals and classroom teachers shall assign detentions for classroom infractions, such as tardies, disruptive behavior, etc.
- Detentions must be served on the date assigned unless other arrangements have been agreed upon.
- If a student fails to serve the assigned detention, he/she may be assigned Saturday School.
- Every pupil must: attend school punctually and regularly; conform to the regulations of the school; obey promptly all directions of teachers and others of authority; observe good order and propriety of deportment; be

diligent in study; be respectful of teachers and others in authority; be kind and obligating to school mates; and refrain entirely from the use of profane and vulgar language. (C.C.R. Title 5, Sec 300)

ON CAMPUS SUSPENSION (OCS)

- The student is removed from the normal classroom but is still present at school.

ASSEMBLIES – RULES OF CONDUCT

Assemblies and rallies are held for several purposes: to teach; to entertain; to honor; to display school spirit; to celebrate, etc. Depending upon the purpose of the assembly, there is a specific type of behavior expected for the audience. First and always, the members of the audience should respect the rights of the performer or speaker or whoever might be presenting the program. There is an obligation of courtesy that each student at Charter Oak High School owes other persons in this school. It is our expectation that you respect the rights of others and our belief is that you are due that level of courtesy in return.

BICYCLES AND SKATEBOARDS

Bicycles and skateboards are not to be ridden on campus. Bicycles need to be locked in the bike rack near the front entrance of the school. Skateboards should be locked in the skateboard rack also located near the front of the school. These items are not to be stored in classrooms or carried during the school day. Students are to provide their own locks. Charter Oak High School is not responsible for items that are damaged or stolen while in the bike or skateboard rack. Bikes or skateboards ridden on campus are subject to confiscation and held until a parent conference takes place.

CAMPUS SAFETY ASSISTANTS

Campus safety assistants are on our campus for the safety of all students and faculty. They represent the Administration and their directions must be obeyed.

COOPERATION WITH SCHOOL RESOURCE OFFICER (SRO)

It is a practice at Charter Oak High School to cooperate with law enforcement officials whenever possible. This school has a School Resource Officer (SRO) who helps disseminate information to the students. Occasionally a law enforcement officer will ask to meet with a student on campus during the school day. When this happens, the parents will be contacted whenever possible. The School Resource Officer will issue citations for violations including, but not limited to fighting, truancy and smoking.

DRESS CODE

Dress and grooming are important responsibilities of students and parents. In an effort to maintain a peaceful and positive school campus and enhance the education process, the School Site Council has established the following dress code for Charter Oak High School.

Clothing should be clean, size appropriate, and in good repair. Clothing with large holes or tears is unacceptable. Pants must fit at the waist without a belt, unaltered. 9. No sexually suggestive clothing or revealing clothing is allowed. No swimwear/sleepwear/loungewear is allowed.
10. Laser pens are unacceptable and will be confiscated.

The school Administration will determine the nature of clothing, jewelry, and any other items that are not appropriate for school in consultation with local law enforcement agencies.

NOTE: Any student wishing to present an item of clothing or jewelry to the School Site Council for review may do so.

PROCEDURE: Enforcement shall be accomplished by teachers, administrators, counselors, staff and Campus Safety Assistants addressing a violation immediately. Initial intervention will include that the item be removed, covered and/or changed. Student objection/defiance will be referred to the Vice Principal/Dean of Students

for review. Repeated violators will be sent to the Vice Principal/Dean of Students, parents will be notified, and appropriate disciplinary action will be administered.

ELECTRONIC EQUIPMENT

Students may bring electronic devices (including, but not limited to, iPods, MP3 players, portable computers, personal tablets, and portable gaming devices) on campus at their own risk. Charter Oak High School and its employees will not be responsible for replacing any equipment that is stolen or damaged. Unless authorized by a teacher, electronic equipment must be turned off and put away during instructional time. Failure to follow classroom rules regarding the use of electronic equipment may result in these items being confiscated and held until the end of the semester and the privilege of bringing such items to school may be revoked. Students may not use electronic devices to take pictures or record actions of any student or staff member without that person's permission. (Refer to Discipline Matrix on pages 30-33)

FINES FOR STUDENTS

Education Code 48904 states: the parent or guardian shall be liable for all damage caused by the pupil. The parent or guardian of a pupil shall be liable to a school district for all property belonging to the school district loaned to the pupil and not returned upon demand of an employee of the district authorized to make the demand.

It is the policy of Charter Oak High School to hold final report cards and/or registration for the following year until all debts are paid. Extra-curricular and co-curricular activities may also be suspended until all debts are cleared. Debts and fines may be cleared in the ASB Finance office Monday through Friday, 7:30 a.m. – 11:15 a.m. & 12:00 p.m. – 3:00 p.m.

HALL PASSES

Hall passes are necessary for students excused from a classroom while classes are in session. Students without a pass are subject to disciplinary action.

LOST AND FOUND

The Lost and Found Department is located in the Administration Building.

MESSAGES

Messages are relayed to students only from parents and only in case of emergency. Deliveries of any kind are not made during the school day.

DELIVERIES AND VISITORS FOR STUDENTS

In order to ensure minimal instructional disruptions, students may not receive visitors or deliveries of any kind during the course of the academic school day. The administration office will not hold money, food, birthday grams (balloons, flowers, etc.), electronic devices or any other delivery for a student to pick up at a later time. However, lunch deliveries are allowed during lunch time only at the front gate where the student may accept the delivery directly from a parent.

OFF-CAMPUS PASSES

As authorized by Education Code 44808.5, the Governing Board establishes an "Open Campus" with parent permission for seniors ONLY at Charter Oak High School. By allowing seniors to leave campus during the lunch period, the Governing Board entrusts them with the opportunity to learn responsibility and demonstrate

good citizenship. Students shall not leave the school grounds at any time during the school day without authorization from their parents/guardians and written permission of school authorities. Students who leave school without such authorization shall be classified as truant and subject to disciplinary action.

At the beginning of the school year, every senior may obtain a lunch pass with his/her parent or guardian's permission. If the student fails to have parent or guardian's permission, a pass will not be issued. Prior to issuing the pass, each senior student and parent/guardian will also be given a contract detailing the criteria listed in Administrative Regulation 5112.5. If the senior and parent/guardian fail to sign the contract, no lunch pass will be issued. Seniors must maintain a 2.5 GPA and be passing four classes at each grading period to be eligible to obtain a lunch pass.

According to Education Code 44808.5, the District, Board members and District employees shall not be liable for the conduct and safety of students who leave school grounds during the lunch period. The Board shall notify parents/guardians at the beginning of the school term of their decision to establish an open campus. The following notice shall be sent as provided by Education Code 44808.5: "The Governing Board of the Charter Oak Unified School District, pursuant to Education Code #44808.5, has decided to permit the seniors, with a minimum of a 2.5 GPA, at Charter Oak High School to leave the school grounds with parent permission during the lunch period. Neither the School District nor any officer or employee thereof shall be liable for the conduct nor safety of any pupil during such time as the pupil has left the school ground pursuant to this section."

The privilege of open campus may be revoked from individual students for disciplinary reasons, attendance problems, or because of failure to maintain a 2.5 GPA or failure to pass four classes.

If a student is caught driving recklessly in the Charter Oak High School parking lot or caught violating California State driving laws during the lunch period, the result will be immediate revocation of the pass for the remainder of the semester or year.

STUDENT PARKING

All vehicles parked on the Charter Oak High School campus must display a parking permit. Student parking is limited to 300 spaces in the student lot on the east side of the campus. Parking permits will be issued in the ASB office. In order to obtain a permit, students must show a valid driver's license and proof of insurance. Students who park in the faculty or visitor's lot will be subject to administrative discipline. Parking on campus is a privilege, which can and will be revoked if a second offense occurs due to parking violations or unsafe driving. The school is not responsible for damage or loss of property. Cars parked in the parking lots on the Charter Oak High School campus are subject to being searched.

Note: Extreme safety violations may result in revocation of parking privilege on first offense.

SUSPENSION/EXPULSION INFORMATION AND PROCEDURES

A pupil shall not be suspended from school or recommended for expulsion unless the principal or designee of the school in which the pupil is enrolled determines that the student has violated a section of E.C. 48900:
